

## Regulatory Geologist/Hydrologist

VESTRA Resources is seeking candidates for a *Regulatory Geologist/Hydrologist* with 5 or more years related experience. This person will support and/or manage projects associated with various public and private sector clients. Projects include a mix of office and fieldwork responsibilities. Work includes statistical analysis, regulation interface, regulatory application and analysis, drilling oversight, logging soil borings, installing wells/piezometers, report preparation, sampling various media (groundwater, soil, surface water, etc.), documenting activities onsite, and directing subcontractors.

Qualifications include:

- BS/MS in Hydrology, Geology, Hydrogeology or related field, required.
- Five (5) or more years related experience and ability to obtain Professional Geologist license within one (1) year is required.
- Professional license in California or Geologist in Training Certification, preferred.
- Any combination of equivalent education and experience will be considered.
- Knowledge and experience in California regulations associated with investigation, water quality, remediation, and solid waste.
- Experience in environmental consulting and/or ability to handle multiple projects simultaneously.
- Project management experience.
- Good communication skills - both verbal and written.
- Self-motivated, strong initiative and work ethic, ability to work independently.
- Ability to lift and move approximately 75 lbs., work in the field, operate a boat and ATV, and operate and calibrate field measurement equipment.

VESTRA has a reputation for developing innovative and cost-effective solutions to address the environmental and engineering needs of our clients. For this reason, the ability to think creatively and follow through on ideas is essential.

VESTRA is located in Northern California, an area ideal for the outdoor enthusiast. The surrounding area offers year-round recreational activities such as boating, skiing, hiking, bicycling, hunting, and fishing. Our community offers excellent schools, affordable housing, and access to cultural events.

VESTRA is an equal-opportunity employer and makes employment decisions on the basis of merit. VESTRA intends to employ the best available persons in every position. VESTRA is committed to compliance with all applicable laws providing equal employment opportunities. This commitment applies to all persons involved in Company operations.

VESTRA offers competitive pay and benefits (medical, dental, vision, life, LTD), 401k match, paid holidays, vacation, and sick leave, and opportunities for training and professional growth. The salary for this position is \$60,000-\$100,000 and will be assigned based on the level of experience applicable to the position. Qualified candidates please send letter of interest, resume, and transcripts to [jobs@vestra.com](mailto:jobs@vestra.com); or by mail to VESTRA
